

ADVANTAGE TESTING
OF WESTPORT

AP CHEMISTRY BOOT CAMP

After completing our AP Chemistry Boot Camp, students will be several steps ahead when they face difficult Chemistry topics during the school year. Students will receive a clear, concise, and entertaining overview of some of the most challenging concepts in AP Chemistry. Each week is a separate session and will cover different topics, including subjects that many sophomores do not learn in first-year Chemistry.

“PERHAPS THE CITY’S PREMIER TUTORING SERVICE.” —THE NEW YORK TIMES

- Week 1 (Equilibrium, Acids and Bases, and Buffers): **July 8–12** from 2:00–6:00 p.m.

- Class size limited to **10 students**
- Excellent review materials and practice questions that aren’t available anywhere else

“THE INSTITUTE FOR ADVANCED STUDY OF TUTORING SERVICES.” —THE NEW YORKER

Will graduated from Union College with a B.S. in Chemistry and an M.A. in Teaching. He has served as a teacher, department chair, and assistant head at The Boys’ Latin School of Baltimore, where he received the Dyson P. Ehrhardt Faculty Chair Award for Excellence in Teaching. He achieved perfect scores on both Chemistry Praxis exams required by Connecticut. In addition to tutoring with Advantage Testing, Will is a chemistry instructor at Staples High School, where he has been a speaker at every annual High Honors Dinner since he joined the faculty, has been nominated multiple times as the most influential teacher, and has won the Above and Beyond Award for Excellence in Teaching.
